

NEWS TRACKING APP

PROBLEM STATEMENT:

As our lives are very busy these days, we often feel we need more than 24 hrs. a day to cope up with everything we have in our schedule. Well, that's not possible but reducing the time by changing the conventional method of reading news can help. Just tell us what market news you're interested in and get a quick peek for the day. Only read what you feel is relevant and save your time. This app helps you to query for all information about Indices, Commodities, Currencies, Future Rates, Bonds, etc.... as on official websites.

What does the problem affect?	With draw of news reading.
What does the issue occur?	In lack of reading news people can't know what's happening around the world.
Where is the issue occurring?	People did not spend time for news reading.
Why is it important that we fix the problem?	By solving this problem app will give the users relevant news only to save their time.
